

ERP DOCUMENT

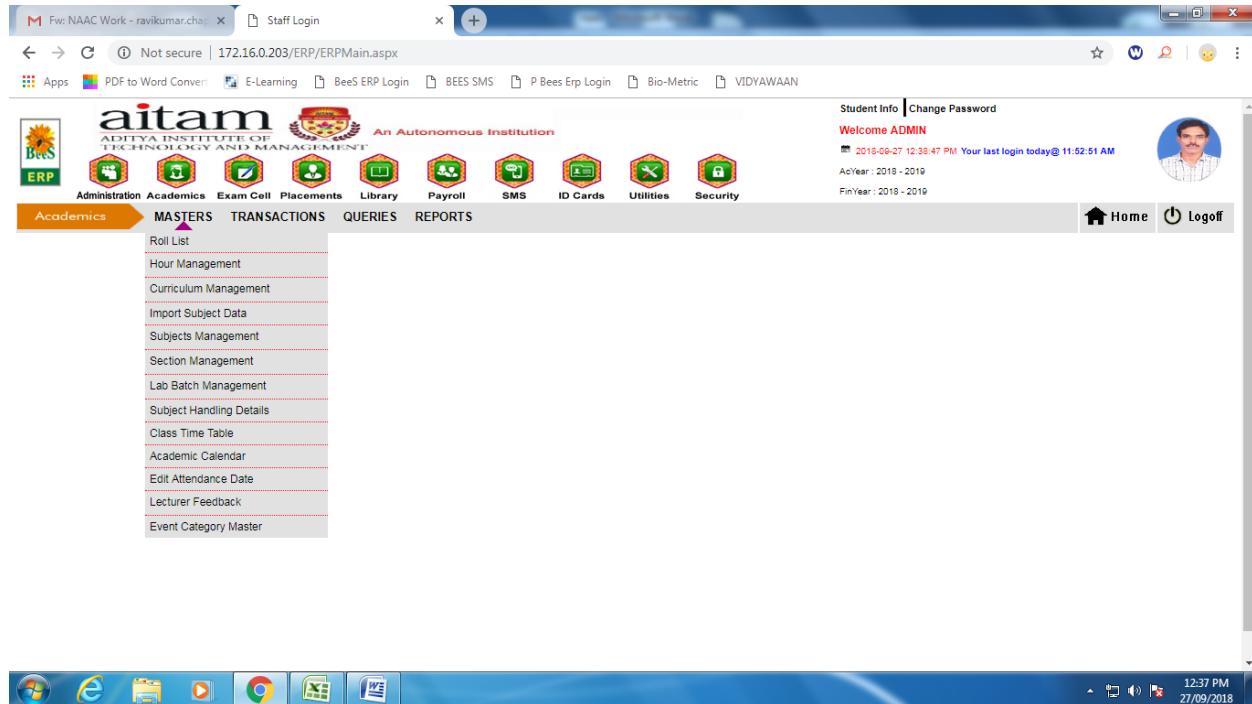

AITAM believes in simple and automated system to provide governance to achieve different elements of the academic system. Various functions to be implemented for effecting planning, development, administration, management of finances and accounts, providing support to the students such as proving hostel facilities, organizing the examinations and evaluations etc., have been considered as a set of modules. Each module is separately designed and implemented through an in-house developed ERP system. All functionaries and administrators use the ERP system for providing the e-governance. Transparency of everything done in the college is exhibited through the ERP system. The ERP system has been built with interface to the AITAM web site for hosting all important contents that must be made known to the stake holders of the college.

Administration

The screenshot shows the aitam Administration module interface. At the top, there is a navigation bar with links for Staff Login, Apps, PDF to Word Convert, E-Learning, BeeS ERP Login, BEES SMS, P Bees Erp Login, Bio-Metric, and VIDYAWAAN. Below the navigation bar is the aitam logo and a banner stating "An Autonomous Institution". The main menu includes Administration, Academics, Exam Cell, Placements, Library, Payroll, SMS, ID Cards, Utilities, and Security. The "REPORTS" option is selected, and a dropdown menu lists various reports: Student Details, Detainee and Discontinued Student List, Student / Parent Last Login Details, Certificates, Fee Collection Details, Fee Collection Details - Fee Group wise, Consolidated Fee Register, Reimbursement Details, Fee Dues Details, Fee Refund Details, Fee Analysis, Tc Issues Details, Export To Excel, and Online Certificate Printing. On the right side, there is a "Student Info" section with a welcome message for "ADMIN", login details (Last login: 2018-09-26 02:39:56 PM), academic years (AcYear: 2018 - 2019, FinYear: 2018 - 2019), and user navigation buttons for Home and Logoff. The bottom of the screen shows a taskbar with several open files and a system tray indicating the date and time (2:39 PM, 25/09/2018).

The screenshot shows the aitam Administration module interface, similar to the previous one but with a different active menu item. The "QUERIES" option is selected in the main menu. A dropdown menu under "QUERIES" shows three options: Fee Card, Fee Discount List, and Loan Estimation. The rest of the interface is identical to the first screenshot, including the header, footer, and taskbar.

Quote of the Day

" We are all citizens of one world, we are all of one blood. To hate people because they were born in another country, because they speak a different language, or because they take a different view on this subject or that, is a great folly. Desist, I implore you, for we are all equally human. . . Let us have but one end in view: the welfare of humanity."

Collected by DR. Chintamani Prasad Patnaik, Senior Assistant Professor, Department of MBA
